The Score For N. F. A. vs. Bulkeley

Points Were 12 to 12 in Exciting Clash at New London— Academy 2nd Team Defeated—Norwich Soccer Open with a Victory—College Football Results.

In a football struggle full of tense moments from start to finish, the Academy team played a tie game, 12 to 12, with Bulkeley Saturday afternoon, at Armstrong park in New London. Bulkeley had the field marked and roped off, a commendable feature in contrast to other years, but the Academy had to go through the apparently inevitable experience in New London of having the rowdy element of the town dominate the field and almost precipitate a riot in the last half. It seems about time that the Bulkeley school authorities woke up to an effort to give visiting academy teams the same decent treatment Bulkeley gets on the N. F. A. campus.

Manager Joe Worth of the Academy team, who was timekeeper, put in some of the most harrowing moments of his experience this year, as the crowd got after him, pulling and hauling him about, under the impression that he was lengthening out the second half, which was prolonged because of the almost constant wrangling of Bulkeley team. The Academy manager was also followed up to the city by some of the boisterous.

On the merits of the plays, the game went to the Academy, as Bulkeley's credit for a tie game was clouded by a mix-up over an official's whistle, which allowed the New London eleven to make one touchdown when the ball was understood to be out of play.

The Story of the Game.
Welles started the game by kicking off to Bulkeley, who ran the ball back ten yards. Then through a brilliant series of line plunges and outside plays, Bulkeley made it to the first down three times. They then lost the ball. Welles made a nice run of fifteen yards, a tackle around tackle play for the Academy. Welles then pointed to Beebe, who ran fifteen yards for a forward pass, which was caught by Gallivan.

The Academy showed Bulkeley how to do it when they worked one for twenty yards. On a fake kick Welles gained twelve yards and Noyes skirted the end for twenty. Noyes was pushed over on the next play and he kicked the goal.

Welles then kicked off to Shea, who ran the ball back twenty yards. Bulkeley made a tackle around tackle play for the Academy. They got fifteen yards on an outside kick, but lost the ball when their forward pass hit the ground. Welles pointed offside and it was Bulkeley's ball on the twenty-five yard line. A dash around end and line plunges gave them first down twice. They were unable to gain any more and punted to Hendrick, who ran ten yards.

Lawlor on an end run made it first down for the Academy. Swan lost five but Welles gained fifteen. The Academy was penalized two yards for delaying the game. They were unable to gain any more and punted to Hendrick, who ran ten yards.

Welles then kicked off to Shea, who ran the ball back twenty yards. Bulkeley made a tackle around tackle play for the Academy. They got fifteen yards on an outside kick, but lost the ball when their forward pass hit the ground. Welles pointed offside and it was Bulkeley's ball on the twenty-five yard line. A dash around end and line plunges gave them first down twice. They were unable to gain any more and punted to Hendrick, who ran ten yards.

The second half started with a rush. Bulkeley kicked to Hendrick, who ran fifteen yards. The Academy couldn't gain and it was Bulkeley's ball on the Academy's 20 yard line. On a fake kick play Referee Vorse gave one of the roughest decisions against the Academy. Bulkeley tried an end run and a whistle was blown. The Academy players then stopped playing and the Bulkeley runner tripped and fell. Seeing the players were in conversation with the officials at the end of the ground until some Bulkeley player showed him to get up and run over the line, which he did. The referee called this a touchdown. This could not be considered a legitimate play, as the ball was on the ground at least a minute or two. Beebe kicked the goal, tying the score.

Bulkeley kicked off, and the Academy was once more on the field. The line was blocked and rolled behind the goal line, where Shea fell on it. Beebe made it one more by kicking the goal. Bulkeley kicked off again and there was an exchange of punts. The Bulkeley men now called for time at the end of the first half—Academy 6, Bulkeley 6.

FINANCIAL AND COMMERCIAL.
SATURDAY MARKETS.
Stock Prices Down on Further Pressure from Professional Element.

New York, Oct. 23.—Stock market prices were weak in the chief part of the two hours of trading, on further pressure from the professional element and commission house liquidation of speculative accounts. Substantial interest was not important support, but appeared willing to take offerings on the decline, which ran from 1 to 3 points among the leading issues, with the chief losses in United States Steel, Great Northern, Northern Pacific, Union Pacific, Reading, Southern Pacific, Amalgamated Copper and New York Central. Bear traders were especially aggressive near the close, their operations apparently being based on the failure of the general list to show any improvement after the first flood of selling orders had come upon the market and on a further sharp advance in sterling exchange, which suggested the probability of exports of gold to London in the current week. Demand rates rose 30 points to the level that practically makes the shipment of gold metal cheaper than the settlement of obligations in the ordinary way. The demand for exchange was urgent, while offerings were not heavy.

PRINCETON CATCHES TARTAR
IN LAFAYETTE ELEVEN.
Tigers Beaten, 6 to 0—Yale Swamps Colgate—Harvard Shows Strong Against Bowdoin in Defense.

The big upset of the college football world on Saturday was Lafayette's defeat of Princeton, 6 to 0, on the Princeton gridiron.

Frank Rischler, a second substitute right halfback on the Lafayette college team, caught the ball on the bound in the middle of play after Cunningham's try for a drop kick had been blocked and ran 50 yards for a touchdown. Captain McCas kicked the goal as time was called.

It was one of the most disappointing struggles for a Princeton viewpoint that has been seen at Princeton in many years. Not once did the visitors make a first down, whereas Princeton carried the ball no less than half a dozen times within the 20 yard line, but was unable to concentrate her attack and frequently lost the ball on downs.

Yale 36, Colgate 0.
Yale started with a substitute eleven against Colgate on Yale field, but quickly rushed in Captain Coy, Philbin and Hobbs, after Yale had failed to catch a punt and the Colgate players had stolen the ball from Murphy, putting the Yale goal in danger. Yale scored in the first five minutes and added the tally till the final score was 36 to 0.

Steve Philbin's dodging backfield play runs for 20 yards each ended in a touchdown. Ted Coy kicked two field goals, the last from the 40 yard line with less than five seconds of the first half remaining.

Logan's run for the final touchdown was the longest made by any of the players. It recorded the fastest touchdown of Harvard Shows Rugged Defense.

Harvard's defense in holding Brown for downs twice on the one yard line was the most encouraging feature of the Brown-Harvard game, which was won by the Crimson, 11 to 0. Harvard scored once in each half.

After an exchange of punts Harvard secured the ball on Brown's 25 yard line, and Minot by successive plunges carried it over for the first score.

This action was repeated in the second half, but this time Brown managed to get within a foot of the Harvard charging line, but was unable to quibble the ball on downs. Minot and Morrison carried the ball out of danger and after they had worked the ball to Brown's 25 yard line forward pass and a couple of line plunges sent it to the 15 yard line.

Penn in Tie With Penn State.
There was no score in the first half at Philadelphia 12, as the Quakers' game with Penn State, but in the final period each scored a field goal, leaving the game a tie, 3 to 3.

Penn State led early in the second half of the game. Thayer kicked a field goal from the 25 yard line. State was able to make a like score within five minutes. On an exchange of kicks Captain Miller of the Pennsylvania team was disqualified for the officials declared to be too rough a tackle, and a penalty foul was given half the distance to the Pennsylvania goal. This put the ball on Pennsylvania's 10 yard line. Two line plunges and then Vornia kicked an easy goal from the 25 yard line.
